Dear Mr. Preston

Congratulations! On behalf of UTC Aerospace Systems and UTC Supply Management, we are delighted to announce Littlestar Plastics Inc has been recognized for superior performance by achieving Supplier Gold status.

UTC's Supplier Gold program is a recognition program established to acknowledge superior performance over a 12 month period. Your performance in the areas of Quality, Delivery, Supplier Health and Customer Satisfaction over the past year has been exceptional. As a result of your achievement, you are authorized to communicate publicly that you have achieved UTC Supplier Gold status, including using the UTC Supplier Gold logo (see Attachment A hereto), provided that such communications comply with the requirements from Attachment A.

You are a key supplier to UTC Aerospace Systems and we appreciate the high level of support provided by your team at Littlestar Plastics Inc.

We will be contacting you to make arrangements for the award presentation.

Thank you again for your commitment to UTC!

Sincerely,
